
Prayers for the persecuted church - Iraq - The increase in the number of militias supported by Iran on the streets of Baghdad is causing fear and panic among civilians, especially because they are ready and willing to fight with Iran against US forces. Let us pray for the church in Iraq to stand strong in the midst of persecution. And that they will play a positive role in their communities, being a light in the darkness that has spread across the country. Amen

Many thanks to all those who supported this enjoyable event. The proceeds from the concert were a most welcome boost to the charity's research projects".

A note recently received –

Thank you for the use of the church hall for the children's arrival and Thursday afternoons so they could have quiet time with their leader. The children have all gone home looking really well and healthy. Most gained 2 Kg in the four weeks that they were here.

From Chernobyl Children's Lifeline

It's strange, how you go from being a person who is away from home to a person with no home at all. The place that is supposed to want you has pushed you out. No other place takes you in. You are unwanted, by everyone. You are a refugee.

God, instill in us the desire to bear one another's burdens. Give us eyes to see your image in each other and ourselves. Amen
