COAT OF HOPES

Come and Hear All About it on April 14 when the Pilgrims will be walking from Hilfield Friary. They will be given a meal and stay the night in Cheap Street Church Hall.

*Ask me where I'm going
Ask me what is my purpose*

The Coat of Hopes is a patchwork coat on an ongoing walking pilgrimage through the UK towards the end of the climate and ecological emergency.

It has been made by and worn and walked by many hundreds of people on a journey on foot of over 2000 miles so far. It carries people's hopes for the places they live, sewn into the blanket patches of which it is made.

All who encounter it are invited to wear it and (whilst the Coat song is sung) take a moment to be conscious of themselves at this time, standing in connection with all those who have made or worn the Coat before them and with the life and land it has witnessed on its way.
